

# Transfer Articulation Agreement for 2+2 BS Degree Industrial Technology— General Technology

## Memorandum of Cooperation Between Moorhead State University & Anoka-Hennepin Technical College

### 1 Introduction

Providing students with quality educational opportunities is a mission of both Moorhead State University and Anoka-Hennepin Technical College. The General Technology program emphasis, within the Industrial Technology BS degree, is designed to accommodate transfer of students who have earned an Associate of Applied Science degree, Associate of Science degree, or a technical diploma from an accredited institution in a field of study related to Industrial Technology. The core reason for this document is to establish a process to accommodate the transfer of the technically oriented credits, in the designated technical programs at Anoka-Hennepin Technical College to the BS degree in Industrial Technology— General Technology at Moorhead State University.

### 2 Transfer Guidelines and Policies

#### **2.1 Credit Transfer—Articulated Programs:**

The evaluation and transfer of earned college credits shall be in full compliance with the Minnesota State Colleges and Universities' Board of Trustees— Policy Section 3-1 and all other state and federal educational policies pertaining to undergraduate credit transfer. Current students and graduates, who have earned degrees or diplomas from Anoka-Hennepin Technical College, shall be eligible for credit evaluation under the terms of this agreement. Programs eligible for transfer under this articulation agreement are listed in section 3.1 of this document. The General Technology program (Industrial Technology BS Degree) allows for a transfer of technical credits and recognizes these courses as comprising a cohesive set, which constitute a technical area of expertise. MSU's transfer specialist will evaluate the transferring student's transcript and accept those courses approved for liberal arts transfer.

#### **2.1.1 Associate of Applied Science Degree Transfers:**

AAS degree graduates will generally transfer a minimum of 64 semester credit hours.

##### **2.1.1.1 Technical Program Area Credits:**

For those programs listed in this agreement, it is expected that a minimum of 30 technical area semester credits will be placed in the Industrial Technology— General Technology major as the technical specialty. Any remaining technical program area credits will transfer as a block to become general, or "free" elective credits, and will count toward the 128-semester credit hour graduation requirement.

##### **2.1.1.2 General Education—Liberal Arts Credits:**

MSU's transfer specialist will evaluate the transferring student's transcript and accept those courses approved for liberal arts transfer.

## Transfer Articulation Agreement for 2+2 BS Degree Industrial Technology— General Technology

### 2.1.1.3 Other Transfer/Graduation Requirements:

Each student graduating from Moorhead State University is expected to have completed at least one-third of his or her BS degree courses as upper-division courses. In addition, for Moorhead State University to grant the BS degree, a minimum of 30 semester credits must have been earned at MSU and all MSU applicable graduation requirements must be met.

### 2.1.2 Diploma Program Transfers:

Diploma program graduates will generally transfer a minimum of 45 semester credits.

#### 2.1.2.1 Technical Program Area Credits:

For those diploma programs listed in this agreement, it is expected that a minimum of 30 technical area semester credits will be placed in the Industrial Technology— General Technology major as the technical specialty. Remaining technical program area credits will transfer as a block to become general, or “free” elective credits, and will count toward the 128-semester credit hour graduation requirement.

#### 2.1.2.2 General Education—Liberal Arts Credits:

MSU’s transfer specialist will evaluate the transferring student’s transcript and accept those courses approved for liberal arts transfer.

#### 2.1.2.3 Other Transfer/Graduation Requirements:

Students graduating from Moorhead State University are expected to have completed at least one-third of their BS degree courses as upper-division courses. In addition, a minimum of 30 semester credits must have been earned at MSU and all MSU applicable graduation requirements must be met.

## 3 Articulated Programs, Timelines, and Signatures

### 3.1 Articulated Programs:

After reviewing the program materials, the Department of Technology faculty and the faculty of the listed programs agree that these programs meet the definition of Industrial Technology and are appropriate for transfer.

- **Design and Manufacturing**
  - Architecture and Construction
    - Technician Diploma
    - Architectural Technology AAS
    - Mechanical Drafting and Design-CAD Drafter AAS, Diploma
  - Machine Trades (3 programs)
    - CNC Specialist Diploma
    - Die Maker Diploma
    - Mold Maker Diploma
    - Tool Room Machinist Diploma

**Transfer Articulation Agreement for 2+2 BS Degree  
Industrial Technology— General Technology**

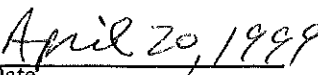

- **Electrical, Electronics and Building Technology**
  - Building Utilities Technician                      Diploma
  - Construction Electrician                              Diploma
  - Electronic Technician                                  AAS, Diploma
  - Industrial Technician                                      Diploma
  
- **Transportation Careers**
  - Automotive Service Technician                      AAS, Diploma
  - Outdoor Power Equipment Technician                      Diploma

**3.2 Articulation Agreement Review:**

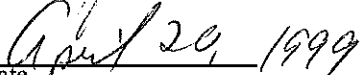

The Vice President of Academic Affairs at Moorhead State University, or designee, and the Vice President of Academic Affairs at Anoka-Hennepin Technical College, or designee, shall periodically review this memorandum of understanding for articulated transfer. Additions or approved articulated programs will follow the same process as those approved initially. Programs may be added or deleted by mutual consent and initialing changes by CEOs of Moorhead State University and Anoka-Hennepin Technical College. The date of implementation will be considered the date signed by both CEO's.
