## PART D
## SUMMARY OF ARTICULATION PROCEDURES

1. a) This articulation agreement is based upon Saint Paul College (SPC) 2008-2009 courses and requirements for the associate degrees listed in Part A. A 2.0 cumulative GPA at the associate degree completion is required for this articulation to be in effect.

   b) Without degree completion SPC courses will be evaluated on an individual course-by-course basis, and some courses accepted through this agreement may not be accepted, per Stritch transfer credit policies.

2. The articulation agreement is applied toward admission to and completion of any bachelor's degree at Stritch, including the Bachelors of Science in Management (BSM), Business Administration (BSBA), Strategic Management of Information Systems (BS-SMIS), Human Services Management (BS-HSM), or Public Safety Management (BS-PSM) degrees offered by the College of Business and Management of Cardinal Stritch University at all regional locations.

3. In order to be admitted into any Bachelors of Science program the students must have:

   a) Proficiency in the English Language as determined by the Administration Office. Proficiency is usually demonstrated by two years of successful academic work in the United States at high school or college level, or by passing the Test of English as a Foreign Language (TOEFL) with a score of 550 or better;

   b) Two years of full-time work experience post-high school, including exposure to the functions of management (e.g. planning, organizing, staffing, directing and/or controlling).

   c) A minimum of 50 semester hours of transferable college credit with 2.0 grade point average.

4. The maximum number of semester credits which may be applied through the articulation agreement per degree is identified in Part of this agreement.

5. Entering students who have successfully completed SPC general education courses with a grade of "C" or better may apply them toward satisfying Stritch Liberal Arts requirements as specified in the Part B transfer guide. All other SPC courses completed, regardless of grade, transfer as a block of elective credit.
