

**Articulation Agreement**  
**between**  
**Century College**  
**and**  
**St. Cloud State University**

**Sending program:**

**Receiving Program: Bachelor of Science in Community Health**

**PART I: TERMS OF THE AGREEMENT**

**Statement of Purpose:**

This agreement has been entered into by **Century College** and **St. Cloud State University**. The purpose of this agreement is to facilitate credit transfer and provide a smooth transition from one related degree program to another. The attached appendices shall describe the required program of study at **Century College** for admission eligibility to **St. Cloud State University** in the Bachelor of Science in **Community Health** and the course of study required at **St. Cloud State University** to complete the degree. This agreement identifies all required and equivalent courses at each institution.

**Terms and Conditions of Credit Transfer:**

The parties of this agreement hereby agree to the terms and conditions set forth in this document.

The evaluation and transfer of earned college credits shall be in full compliance with MnSCU policies and all other state and Federal education policies pertaining to undergraduate credit transfer. Current students and graduates who have earned appropriate degrees, certificates or diplomas from **Century College** shall be eligible for

credit evaluation under the terms of the this agreement. Program specific requirements and/or required courses are listed in the appendices of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major program as students who originated their education at **St. Cloud State University**.

Associate of Arts degree transfer students and others who have completed the Minnesota Transfer Curriculum are exempt from additional lower division general education courses unless the degree program requires specific lower division general courses.

Applicants accepted must fulfill the graduation requirements of the degree-granting institution.

**Joint Admission:**

Students who are eligible may currently enroll in courses at both institutions and if concurrently enrolled may have access to advising and other services at both institutions.

**Collaborative Practices:**

Tuition and fees will be paid to the institution from which the student takes a course.

Upon student request, each institution will forward to the other copies of transcripts from students in the program.

Both institutions will inform potential students about this program.

**PART II: IMPLEMENTATION AND REVIEW**

The Chief Academic Officers or designees of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes in subsequent agreements, and for conducting a periodic review of this agreement.

This agreement becomes effective on September 1, 2005 and remains in effect until terminated or amended by either party by written notice to the other party.
