

December 2, 2003

Dr. Michael Spitzer
Provost, Vice President for Academic Affairs
St. Cloud State University
720 4th Avenue South
St. Cloud, MN 56301-4408

Dear Dr. Spitzer:

Reggie Perkins, along with the Dean and faculty from our Exercise and Sport Science program, has been working with Dr. Rod Dobej from the Health, Physical Education, and Sport Science (HPESS) Department at St. Cloud State University to draft an articulation agreement which provides transfer opportunities for students at Dakota County Technical College.

Dr. Dobej has indicated to Reggie that the attached agreement is ready for signatures. The appropriate parties at D.C.T.C. have signed the agreement. Now I am sending it your way for your approval and signatures.

We look forward to working together and providing a clear and attractive pathway for our students to continue their education at your University.

Sincerely,

Karen Halvorson, Ed.D.
Vice President of Academic and Student Affairs

Cc: Dr. Ron Thomas, President
Dr. Ron Erickson, Dean
Reggie Perkins, Director of Student Life
Sara Woodward, Faculty, Exercise and Sport Science

651-423-8319

ARTICULATION AGREEMENT

Total Gen. Ed. Electives Credits	3
---	----------

Total Credits Transferred from Dakota County Technical College	53
▪ General Education	34
▪ Program (Exercise & Sport Science)	11
▪ Technical Electives	8

**Articulation Agreement
Dakota County Technical College
St. Cloud State University**

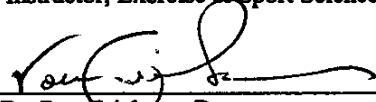

Dakota County Technical College and St. Cloud State University are committed to:

- (1) providing quality education in Physical Education and Exercise & Sport Science,
- (2) offering new educational choices and improved access to all students, and
- (3) working in partnership to create programs and services of superior value to students, industries, communities, Minnesota State College and Universities (MnSCU), and the State of Minnesota.

Accordingly, St. Cloud State University and Dakota County Technical College endorse this Articulation Agreement, both as evidence of mutual commitment to strengthen collaboration between institutions and as a convenient, academically sound graduation plan for students.
